REMARKS

SOURCE

1. a. No essential changes were observed in the troop quarters of MAUER-OEHLING (O 49/F 26) up to 22 July 1949.
- b. Arriving and departing infantry troops (individual or by small groups) were observed. Firing practices and battle service practices with light infantry weapons were held at the training area.

25X1B

2. No troops were stationed in ULMERFELD (O 49/F 26).

**Comment:** The report indicates that the field units of the MAUER-OEHLING post (i.e., the 290th Gds Mts Rifle Regt) were still at troop training grounds (DOMMERSHEIM?) in late July 1949, while at least part of the recruits of the regiment remained in the post for training purposes.
